PRESERVE FIRST. PLAN TOGETHER.

The petition asks the responsible property owners and decision-makers to keep the mural in place and explore conservation with the artist and qualified specialists.

Jon Ogren is depicted in the mural. Published sources credit Jo Lumpkin Brown as the artist. Wet Dog / Astoria Brewing is next door and is not responsible for the mural.

The signed August 18 order approves EX26-04. Planning confirms the staff report was adopted as presented; it proposes mural removal. A work date and preservation agreement remain unconfirmed. Current sources are on the petition site.
